

Learning Outcomes	Objectives (SI=Self Identity)	Suggested Activities (SI=Self Identity)	Suggested Content	Skills	Assessment/ Evaluation	Resources
<p>✚ Recognize that God created everything</p> <p>✚ Appreciate the beauty of God’s creation</p> <p>🌐 Know that everyone has identity in terms of name, sex, address, physical characteristics and nationality</p> <p>✚ Demonstrate an awareness of the various external body parts and their functions</p> <p>👉 Express the correct terminology for body parts and organs as well as functions.</p>	<p>SI. 1 Identify that God made me and is the creator of all things.</p> <p>SI. 2 Describe in their own words the beauty of God’s creation.</p> <p>SI. 3 Describe and state their own traits and characteristics: (Name, physical features, Nationality).</p> <p>SI. 4 Name and state functions of external body parts.</p> <p>SI. 5 Compare and contrast external and internal body parts of the body.</p> <p>SI. 6 Identify internal body parts with their functions.</p>	<p>SI. a View creation story picture of plants and animals God created. State likes and differences.</p> <div data-bbox="782 386 1177 699" style="border: 1px solid black; border-radius: 50%; padding: 10px; margin: 10px 0;"> <p>Day ____ God made birds. [picture of various birds identified & placed by students] I have _____ just like birds. Birds have _____ I do not.</p> </div> <p>SI. b Complete an “All about Me” self portrait poster labeling body parts and identifying various traits and characteristics.</p> <div data-bbox="782 883 1185 1156" style="border: 1px solid black; padding: 10px; margin: 10px 0;"> <p>_____ made me. I am a _____. I am _____ years old. I live in _____.</p>  </div> <p>SI. c Create a collage of external body parts to create a model of a human body.</p> <p>SI. d Paste internal organs on associated external body parts. (brain=head)</p>	<p>✚ Sub goal : 1 Examine the basic beliefs and teachings of Christianity Theme: The Nature of God Identify God as creator of all things Conclude that God created man as a special being Describe the beauty of God’s creation (page 1)</p> <p>🌐 Theme: Myself All about me My Country (pg. 2-6)</p> <p>✚ Topic; Human Body Strand 1: Characteristics of Organisms Identify body parts (external) of humans Describe the functions of external body parts (pages 62 & 63)</p> <p>👉 Standard 2.1.1 Associate parts of the body (external and internal) with their functions Appreciate the way their body functions Express the correct terminology for body parts and organs (page 18)</p>	<p>Investigation Reflection</p> <p>Observing Communication</p> <p>Advocacy, cooperation, communication, decision-making, critical and creative thinking, self awareness, self acceptance.</p>	<p>Checklist Students should know: God created the world and all in it. That everyone has an identity name, age, gender and nationality. The name and functions of external body parts. Names and functions of specific internal organs. Specific physical features unique to them.</p> <p>Compilation of a body collage. (identifying body parts)</p> <p>Observation</p> <p>All About me booklet/poster</p>	<p>Religious Studies Curriculum The Children’s Bible The Beginner’s Bible Family Life & Health Curriculum Science Curriculum Primary Social Studies and Tourism Education for The Bahamas Teacher’s Guide</p>

Unit 1

Theme: Self Identity (SI)

Topic: I am special

Essential Question: What makes me special?

Learning Outcomes	Objectives (SI=Self Identity)	Suggested Activities (SI=Self Identity)	Suggested Content	Skills	Assessment/ Evaluation	Resources
<p>👉 Develop an understanding that each individual is a unique being</p> <p>👉 Learn to accept oneself and others regardless of physical, mental and emotional peculiarities</p> <p>✚ Understand individual differences</p> <p>✚ Know that each individual is a unique being</p> <p>✚ Recognize their special gifts and talents</p> <p>🌐 Recognize their likes and dislikes</p> <p>✚ Demonstrate an awareness of the use of the senses to learn and enjoy the world around us</p> <p>Define living things.</p>	<p>SI. 7 Discuss the definition of the word different.</p> <p>SI. 8 Identify differences (physical etc.) between self and others.</p> <p>SI. 9 Describe how or why they are special</p> <p>SI. 10 Conclude that God created man as a special being</p> <p>SI. 11 Define in their own words unique, gifts, talents.</p> <p>SI. 12 Analyze ways that the senses help one in being unique</p> <p>SI. 13 Identify and describe the five sense organs in the human body</p> <p>SI. 14 Relate their personal likes and dislikes.</p> <p>SI. 15 Explain how their five senses help them to identify their likes and dislikes.</p> <p>SI. 16 Discuss ways that they can support people with special needs.</p>	<p>SI. e Sing I Am Special song <i>I am Special</i> <i>I am Special</i> <i>If you look you will see someone very special</i> <i>someone very special because it's me</i> <i>because it's me</i></p> <p>SI. f Design a poster to explain what makes them special</p> <p>SI. g Complete an "I'm special survey"</p> <div data-bbox="916 857 1292 1133" style="border: 1px solid black; padding: 5px;">  <p>I can run. I can draw. I am special because I can _____.</p> </div> <p>SI. h Create a five senses book of the things God created that we use our sense to enjoy</p>	<p>👉 Sub Goal1 Standard 1.1 Objectives 1.1.1 Demonstrate knowledge of individual differences Respect and appreciate individual difference Use self-awareness and self acceptance skills to demonstrate appreciation of their uniqueness (page 13)</p> <p>✚ Sub Goal 2: Discover a sense of identity and purpose Theme: Discovering my identity differences ✚ Conclude that each individual is a unique being Display their special gifts and talents (page 5)</p> <p>🌐 Theme 1: Myself Am I like...? What do I like to do?</p> <p>✚ Topic: Human Body – Sense Organs Strand 1: Characteristics of Organisms Infer and identify the five sense organs in the human body (page 64)</p>	<p>Advocacy, cooperation Communication</p> <p>Investigation Reflection Analysis</p> <p>Classification Communication Manners</p>	<p>Observation</p> <p>Checklist</p> <p>Students should know: God made each of us special many things make us special ; Define: unique, gifts, talents</p> <p>Completion of survey</p> <p>Evaluation of posters</p> <p>Evaluate Show and Tell using Rubric found in Religious Studies and Science Curriculum)</p>	<p>Religious Studies Curriculum</p> <p>The Children's Bible</p> <p>Family Life & Health Curriculum</p> <p>Science Curriculum</p> <p>Primary Social Studies and Tourism Education for The Bahamas Teacher's Guide</p>

Learning Outcomes	Objectives (SI=Self Identity)	Suggested Activities (SI=Self Identity)	Suggested Content	Skills	Assessment/ Evaluation	Resources
		<p>SI. i Complete a like and dislike inventory</p> <div style="border: 1px solid black; padding: 2px; width: fit-content; margin-bottom: 5px;">Animals</div> <p>My favorite animal is a _____. I do not like _____.</p> <div style="border: 1px solid black; padding: 2px; width: fit-content; margin-bottom: 5px;">Food</div> <p>My favorite food is _____. I do not like _____.</p> <div style="border: 1px solid black; padding: 2px; width: fit-content; margin-bottom: 5px;">Color</div> <p>My favorite color is _____. I do not like the color _____. I like to _____.</p> <p>I do not like to _____.</p> <p>SI. j Complete a Venn diagram with a classmate to compare and contrast their similarities and differences</p> <div style="border: 1px solid black; padding: 5px; margin-top: 10px;">  </div>	<p>Describe the functions of the five sense organs (page 65)</p> <p>Explain how the senses work together to tell us about our surroundings/environment/world (page 66)</p>			<p>Religious Studies Curriculum</p> <p>The Children’s Bible</p> <p>Family Life and Health Curriculum</p> <p>Science Curriculum</p> <p>Primary Social Studies and Tourism Education for The Bahamas Teacher’s Guide</p>

Learning Outcomes	Objectives (SI=Self Identity)	Suggested Activities (SI=Self Identity)	Suggested Content	Skills	Assessment/ Evaluation	Resources
<p>† Demonstrate awareness of relationship with other living things</p> <p>† Recognize the two groups of living things</p> <p>👉 Demonstrate respect for people and all living things</p> <p>✚ Know the definition of the word worship</p> <p>✚ Understand that human beings were created to praise and worship God</p> <p>✚ Demonstrate ways to worship God</p> <p>🌐 Understand what it means to belong to a group</p>	<p>SI. 17 Examine similarities and differences of living things</p> <p>SI. 18 Determine that people and other living things belong to a group</p> <p>SI. 19 Determine ways in which respect can be demonstrated to all living things</p> <p>SI. 20 State the definition of the word worship</p> <p>SI. 21 Justify that human beings were created to worship and praise God</p> <p>SI. 22 Give examples of ways to worship God.</p> <p>SI. 23 Identify the various groups that one can be apart of. (church, social, etc.)</p>	<p>SI. l Create a flip chart of living and non living things</p> <div style="border: 1px solid black; padding: 5px; width: fit-content; margin: 5px auto;">I know the difference!</div> <div style="display: flex; justify-content: space-around; border: 1px solid black; padding: 5px; margin: 5px auto;"> <div style="border: 1px solid black; padding: 5px; text-align: center;">Living Things</div> <div style="border: 1px solid black; padding: 5px; text-align: center;">Non- Living Things</div> </div> <p>SI. m Create a comparison chart of the similarities between: people plants animals</p> <div style="display: flex; justify-content: space-around; margin: 5px auto;"> <div style="border: 1px solid black; width: 40px; height: 40px; border-radius: 10px;"></div> <div style="border: 1px solid black; width: 40px; height: 40px; border-radius: 10px;"></div> <div style="border: 1px solid black; width: 40px; height: 40px; border-radius: 10px;"></div> </div> <p>SI. n Compose a short narrative reflecting on an incident or time when they showed respect to other living things</p> <p>SI. o Design a flip book illustrating ways to worship God</p>	<p>† Topic: Living and Nonliving Things Strand 1; Characteristics of Organisms Classify living and nonliving things Compare living and nonliving things Identify the two main groups of living things (page 71)</p> <p>👉 Sub-Goal 1 Standard 1.2 Demonstrate respect for people and all living things Objectives: 1.2.1 Explore similarities and differences between humans and animal Appreciate the role that animals play in the environment Express empathy towards animals and humans and demonstrate humane treatment of them (page 14)</p> <p>✚ Sub-Goal 2 Discover a sense of identity and purpose Theme: Honouring God (page 4)</p> <p>🌐 Theme 1: I am part of a group</p>	<p>Observation Classifying Experimenting</p> <p>Empathy, cooperation, advocacy, decision making, coping with emotions</p> <p>Application Expression Investigation</p>	<p>Oral Responses</p> <p>Checklist</p> <p>Classify living and non living things (draw a picture rubric Religious Studies Curriculum)</p> <p>Observation</p> <p>Evaluate comparison charts</p> <p>End of Unit Test</p>	<p>Religious Studies Curriculum</p> <p>The Children’s Bible</p> <p>Family Life and Health Curriculum</p> <p>Science Curriculum</p> <p>Primary Social Studies and Tourism Education for The Bahamas Teacher’s Guide</p>

Unit 2

Theme: Needs (Ned.)

Topic: Our Needs

Essential Question: What are the basic needs?

Learning Outcomes	Objectives (Ned.=Needs)	Suggested Activities (Ned.=Needs)	Suggested Content	Skills	Assessment/ Evaluation	Resources
<p>📌 Know that all living things have needs</p> <p>📌 Explore habits that help people stay healthy</p> <p>🌐 Develop an awareness of their needs</p> <p>🏠 Recognize the relationship between food choices and life style diseases</p> <p>✝ Understand reasons why individuals should give thanks to God</p> <p>✝ Recognize Biblical persons who were thankful</p> <p>✝ Demonstrate ways to express thanks to God</p>	<p>Ned. 1 Identify the basic needs of living things</p> <p>Ned. 2 Categorize the basic needs of people as emotional, spiritual, social or physical</p> <p>Ned. 3 Differentiate between needs and wants</p> <p>Ned. 4 Evaluate foods and activities that are needed to remain healthy</p> <p>Ned. 5 Discuss ways to prevent germs.</p> <p>Ned. 6 Conclude which foods are healthy and which are unhealthy</p> <p>Ned. 7 Examine ways that God supplied the basic needs of living things</p> <p>Ned. 8 Discuss reasons why people should thank God</p> <p>Ned. 9 Summarize the stories of Hannah and the Ten Lepers showing how their needs were met</p>	<p>Ned. a Cut and paste things they need to survive</p> <p>Ned. b Create a Venn diagram of needs and wants</p>  <p>Ned. c Design a food pyramid of healthy living</p> <p>Ned. d Write and develop a healthy breakfast, lunch and dinner menu</p> <p>Ned. e Create a “T-Chart” showing healthy and unhealthy food choices</p> <p>Ned. f Design a poster promoting healthy lifestyles under the theme ‘I’m A Germ Buster’</p> <p>Ned. g Construct “Thankful Hands” with sentences stating reasons to thank God</p> <p>Ned. h Compose a picture book recounting the events of the story of Hannah or the Ten Lepers</p>	<p>📌 Topic: What are living things? Strand 1: Characteristics of Organisms Identify the things living things need to stay alive (pg. 69)</p> <p>📌 Topic: Human Body Strand 1: Characteristics of Organisms Describe habits that help people stay healthy Identify foods that help to keep the body healthy (pg. 68)</p> <p>🌐 Theme 1: Myself My Needs</p> <p>🏠 Sub-Goal 3 Standard 3.1 Recognize the importance of food to the body Develop an appreciation for healthy foods and snacks Use decision-making skills to select healthy food snacks (pages 25-26)</p> <p>✝ Sub-Goal 5 Explore celebrations and ceremonies of the Christian faith Theme: Celebrating Thanksgiving (page 8)</p>	<p>Observation Classification Communication</p> <p>Self awareness, self acceptance , healthy self management, cooperation, refusal and advocacy</p> <p>Investigation Reflection Evaluation Synthesis</p>	<p>Checklist Students should know: what are needs the needs of Living things what are our emotional, social mental and spiritual needs healthy habits healthy foods healthy lifestyle habits</p> <p>Evaluate posters (using rubric from Religious Studies Curriculum)</p> <p>Evaluate a Needs booklet</p>	<p>Religious Studies Curriculum</p> <p>The Children’s Bible</p> <p>Family Life and Health Curriculum</p> <p>Science Curriculum</p> <p>Primary Social Studies and Tourism Education for The Bahamas Teacher’s Guide</p>

Learning Outcomes	Objectives (Ned.=Needs)	Suggested Activities (Ned.=Needs)	Suggested Content	Skills	Assessment/ Evaluation	Resources
<p>↑ Recognize environments as sources of food, shelter and protection</p> <p>🌍 Develop tolerance for differences in family patterns</p> <p>👤 Recognize the importance of the family, its role and function</p> <p>✝️ Demonstrate an awareness of Jesus as the son of God who came to earth as a baby</p> <p>✝️ Understand why Jesus came to earth</p> <p>✝️ Recognize ways to show gratitude to God for sending his Son</p>	<p>Ned. 9 Discover the various habitats within the environment</p> <p>Ned. 10 Deduce that the a habitat is a source of food, shelter and protection for plants and animals</p> <p>Ned. 11 Associate various animals with their respective habitats.</p> <p>Ned. 12 Explain the roles, function and the importance of the family</p> <p>Ned. 13 Compare and contrast animal and human families.</p> <p>Ned. 14 Interpret the structure of Jesus' family</p> <p>Ned. 15 Demonstrate ways to show gratitude to God for sending his Son</p> <p>Ned. 16 Discuss the purpose for showing gratitude to God for his Son.</p>	<p>Ned. i Complete an experiment on what plants need to grow. (planting a seed)</p> <p>Ned. j Use virtual pet to observe what animals needs to survive</p> <p>Ned. k Create and label a diorama of the various habitats with its indigenous plants and animals</p>  <p>Ned. l Complete a mobile demonstrating the structure and members of their families</p> <p>Ned. m Complete worksheet on families including the family of Jesus and his purpose for coming to earth</p>	<p>↑ Topic: Living and Nonliving Things Strand 1: Characteristics of Organisms Compare traits of plants and animals (page 72) Identify places where plants and animals live (page 73)</p> <p>🌍 Theme 2 My Family Families</p> <p>👤 Sub-Goal 1 Standard 1.3: Analyze the influences that impact personal development Objectives: 1.3.1 Evaluate family roles and responsibilities Appreciate the role that families play in their overall development Respond positively to the functions and services that family members provide (page 15)</p> <p>✝️ Sub goal : 1 Examine the basic beliefs and teachings of Christianity Theme: The Nature of God (page 2)</p>	<p>Prediction Observation Classification Communication</p> <p>Self awareness, self acceptance , healthy self management, cooperation, refusal and advocacy</p> <p>Investigation Reflection Evaluation Synthesis</p>	<p>Evaluate habitat diorama projects. (see Religious Studies curriculum for rubric)</p> <p>Assess family mobile. (see Religious Studies curriculum for rubric)</p> <p>Evaluate posters (using rubric from Religious Studies Curriculum for rubric)</p> <p>Evaluate a Needs booklet (using Writing Rubric see Religious Studies Curriculum)</p> <p>Worksheets End of Topic Test</p>	<p>Religious Studies Curriculum</p> <p>The Children's Bible</p> <p>Family Life and Health Curriculum</p> <p>Science Curriculum</p> <p>Primary Social Studies and Tourism Education for The Bahamas Teacher's Guide</p>

Learning Outcomes	Objectives (Ned.=Needs)	Suggested Activities (Ned.=Needs)	Suggested Content	Skills	Assessment/ Evaluation	Resources
<p>✚ Understand the importance of Christmas</p> <p>✚ Recognize the details of the events surrounding the birth of Jesus</p> <p>✚ Demonstrate an awareness of ways to share the joy of Christmas with others</p> <p>✚ Understand that body parts and coverings help animals live where they do</p> <p>✚ Understand that plant parts help plants live where they do</p> <p>🍴 Develop an appreciation for the Dietary Guidelines for The Bahamas</p>	<p>Ned. 17 Conclude that Christmas is an important festival</p> <p>Ned. 18 Summarize the events of the Christmas story</p> <p>Ned. 19 Illustrate ways that the joy of Christmas is shared with others</p> <p>Ned. 20 Give examples of animals that lived in the place where Jesus was born</p> <p>Ned. 21 State how body parts and coverings of animals help them live where they do</p> <p>Ned. 22 Describe how plant parts help plants live where they do</p> <p>Ned. 23 Classify foods into their specific groups.</p> <p>Ned. 24 Identify the origin of foods in various food groups.</p> <p>Ned. 25 Infer the appropriate amount of food from each food group that the body needs to be healthy</p>	<p>Ned. n Complete a mobile of the events of the Christmas story</p> <p>Ned. o Recreate the Christmas story through Role Play.</p> <p>Ned. p Create a film book of the ways to share the joy of Christmas with others and write a sentence to explain.</p>  <p>Ned. q Categorize and sort pictures of animals / plants according to body parts and coverings and where they live</p> <p>Ned. r Cut pictures, design and create a poster promoting a healthy Christmas meal</p>	<p>✚ Sub-Goal 5 Explore celebrations and ceremonies of the Christian faith Theme: Celebrating Christmas (page 9)</p> <p>Topic; Living and Nonliving Things Strand 1 Characteristics of Organisms Explain how plant parts help them to live in different places Explain how body parts and coverings help animals live where they do (pages 74 & 75)</p> <p>🍴 Sub-Goal 3 Standard 3.2 Examine how the Dietary Guidelines for The Bahamas can be used to make informed food choices Objectives 3.2.1 (page 27)</p>	<p>Investigation Interpretation Reflection Evaluation</p> <p>Prediction Observation Classification Communication</p> <p>Self awareness, self acceptance, healthy self management, cooperation, refusal and advocacy</p>	<p>Assess mobile of the Christmas story events.
