

Pacing Guide Course Outline
Economics

Course Description: Economics students engage in micro and macro analysis of issues that impact a nation, firm production, consumption, to internet trends and best practices.

Prerequisites: To maximize the potential successes of our students, it is strongly recommended that all persons enrolled in this course possess the following BJC passes or equivalent: Math (C), English (C) and have a minimum of a 2.50 GPA at the end of Grade 9.

Exit Competencies: Economics BGCSE Examination
City and Guilds Business Studies Level I-III

In an effort to keep our students on target and permit you to follow their progress and expected outcomes, this document outlines the expected areas of focus for the academic year of 2022-2023. Please visit the Ministry of Education's website at ministryofeducationbahamas.com for ongoing updates. Together, we will experience academic growth.

A = Advanced **F** = Fundamental **I** = Intermediate
